

## **Warriorplus and jvzoo product approval script 2.0**

### **Use any one**

Hey (name), I just picked up (product name) and (talk about what you liked the best).

I was wondering if I could recommend (product name) to others, which would be by (ONE way you'll be promoting).

Feel free to reach out if you have any questions, or would like to see my (website/account/etc), here is my (social media link, email, etc).

Thanks for reading, and great job on (the product name).

(your username)

### **The Important Part Of The Request**

This is where you tell them how you'll be promoting their offer as an affiliate.

Make sure that you keep this next part in mind:

**Only mention one source of traffic when it comes to promoting the offer.**

As mentioned previously, people don't have the time to utilize 100 different traffic sources.

*It's a huge red flag.*

So here is an example of what you could say for this specific section:

*I'd like to help you get a few more sales myself, and I'd be promoting the Super Dooper Reindeer Pooper on my YouTube channel that's related to online marketing.*

Hello WarriorPlus Team, I hope this message finds you well. My name is [Your Name], and I am writing to request approval for my product, [Your Product Name], on the WarriorPlus platform. Product Details: Product Name: [Your Product Name] Product Description: [Brief description of your product] Price: [Your product pricing details]

**Only mention one source of traffic when it comes to promoting the offer.**

As mentioned previously, people don't have the time to utilize 100 different traffic sources.

*It's a huge red flag.*

So here is an example of what you could say for this specific section:

*I'd like to help you get a few more sales myself, and I'd be promoting the Super Dooper Reindeer Pooper on my YouTube channel that's related to online marketing.*

I appreciate your time and consideration in reviewing my product. If there are any adjustments or additional information required, please let me know, and I will promptly address them.
